

Redefined Clothing Boutique  
Consignment Contract  
2320 Regina Drive, Duncan BC V9L 5V4

Thank you for choosing to consign with Redefined! We consign by appointment only and will come to you if that is more convenient. Items will be accepted if they are on hangers, free of snags, stains or pills and must be freshly laundered or dry cleaned with tags intact. We accept women's new and gently worn clothing from size 0 – 18, shoes, boots from size 6 to 11, purses, bags, wallets and clutches. We do not accept hats or gloves.

When you bring in your items, we will transfer from your hangers to ours. Sometimes there will be items we cannot sell; please understand that our customers' preferences must be our selection guidelines.

An item that is initially accepted does not guarantee that it will go on the floor. For example, any items found with stains, missing buttons, broken zippers etc. during processing will be donated without further notification.

Our consignment period is 60 days, with a 50/50 split of the final selling price. During this time, we agree not to discount items by more than 10%.

We will notify you on your consignment end date; you will have 2 weeks to pick up your items or make special arrangements if necessary. Should you choose to have Redefined Clothing Boutique donate them to charity, we will support local charities that support woman.

Legally, we are not responsible for any items that have been stolen or damaged during the consignment period. We will try our best to keep your items away from floods, fires and thieves!

Once your items are logged into our database, we will send you an itemized list of the pieces we have accepted. Please remember it is your responsibility to check in with us in a timely fashion to settle your account. This means within 7 to 8 weeks.

We will do our best to safeguard your items, but we are not responsible for damage, theft or loss.

Please print neatly, especially the email part.

Thanks again,
